

**ELEVATE ENERGY**  
Smarter energy use for all

# Water Efficiency Services

Identifying the causes of high water bills can be a difficult task for building owners and managers. Elevate Energy is expanding to help you address water-related issues that increase the cost of operating and maintaining affordable and healthy housing. Our team provides tailored services to meet your needs, whether for a single building or your entire portfolio. The following is a sample of services we offer.

Contact us today to discuss your needs, and to receive a free consultation – email [Ryan.Wilson@ElevateEnergy.org](mailto:Ryan.Wilson@ElevateEnergy.org) or call 872.206.3590.

## Assess & Plan

- Water utility bill & consumption analysis
- Portfolio-wide benchmarking (water and energy)
- Comprehensive water assessment, including leak detection
- Lead service line and leaded plumbing fixture identification

## Repair & Improve

- Contractor solicitation and proposal review
- Construction management support and verification
- Efficient water fixture replacement and toilet repair
- Remote monitoring for leaks & spikes in usage

## Maintain & Train

- Post-retrofit bill monitoring & water use analysis
- Maintenance protocol development and staff training
- Resident messaging and engagement on water conservation
- Annual inspections

Elevate Energy is a mission focused organization that designs and implements programs that lower costs, protect the environment, and ensure the benefits of energy and water efficiency reach those who need them more. Learn more at [www.ElevateEnergy.org](http://www.ElevateEnergy.org)

Elevate Energy is proud to be a WaterSense Partner. Since the program's inception in 2006, WaterSense has helped consumers save more than 2.1 trillion of gallons of water and billions in water and energy bills. For more information, visit [www.epa.gov/watersense](http://www.epa.gov/watersense).
